

Vacation FRQ

- Write about your favorite vacation destination (it can be a place you haven't actually been to if you want).
 - a. What makes it your favorite vacation destination?
 - b. List and describe three examples of the physical geography there.
 - c. Describe one cultural aspect that is different from what you experience at home?

Notes:

- This FRQ (Free Response Question) should be 5 paragraphs long (part B should be three paragraphs).
- You do not need and should not include an introduction or conclusion. It is a good idea, however, to rephrase the question in your answer.
- Physical geography is something that nature creates, like mountains, rivers, lakes, wildlife, climate, etc... It is not bridges, buildings, or other man-made things.
- Cultural aspects are things like religion, language, or what people do for a living or for hobbies.
- Your FRQ can be either typed or hand written. You can print it or email it to me at scwallace@wsd.net
- Below is an example of how you should format your FRQ.
